About me

Developer & Designer

Hello, My name is Alaguraaj Vellakianaru Haridass. I am a basic Python Devloper and also a Web-Designer.Ich würde mich freuen, meinen Enthusiasmus und meine Fähigkeiten einbringen zu Evosource AG können und in dieser Position als Trainee zu wachsen. Auf eine Einladung zum Vorstellungsgespäch freue ich mich sehr und stehe ich Ihnen ab sofort zur Verfügung.

Projects

I started studying programming languages through academic projects. I also found this interesting and prompted me to do volunteer projects on the front end developer platform (Udacity, Udemy, Coursera) that allowed me to gain additional knowledge
